The Global Revival Network Personal Discipline Log is not designed to be a means by which your Prayer Team Coordinator checks on you to make sure that you are fulfilling your prayer and Bible study commitments which you made when you first joined GRN. Frankly, if you so desired, you could simply make up dates and times when you say that you prayed or studied your Bible yet never did. From a natural standpoint, your Team Coordinator would never know whether you did or not. From a supernatural standpoint, it would become very obvious very quickly that you are not spending time with the Lord because of your language and your conduct. No one can fake holiness for very long without the truth coming out. Rather, this Log is designed to help YOU to discipline YOURSELF in your personal pursuit of holiness and sanctification and your pursuit of a deeper relationship with the Lord. If your heart is right with God, you will maintain this Personal Discipline Log faithfully. If it is not, you will not. We pray that your heart is right with the Lord and will stay that way for the rest of your life. May God richly bless you as you walk in faith and obedience to Him! Amen and Amen!
