

What Is the Global Revival Network?

- Global Revival Network (GRN) is a Christian networking organization dedicated to helping build up the local church and other ministries by providing ministry opportunities for believers who have both a calling and the anointing of the Holy Spirit in their lives.
- GRN members are expected to maintain an active membership with an existing church.
- GRN meetings are held on nights other than normal church meeting times and days so as not to conflict with normal church schedules.
- GRN particularly encourages all Five-Fold Psalmists, Teachers, Pastors, Evangelists, Prophets and Apostles to come and fellowship and participate.
- GRN is committed to restoring the multi-ethnic, multi-cultural nature of the Body of Christ as it will exist in Revelation 7:9, with every nation, kindred, tribe and tongue represented.
- GRN worship services are based on the model established by the Apostle Paul in I Corinthians 14:24-33, where everyone has the right and privilege to participate and contribute as the Holy Spirit leads them to.
- A GRN Leadership Team will monitor every service to ensure that the flow of the Holy Spirit is not interrupted by any soulish, self-seeking activity and that all teaching, exhortation and prophecy stay within clearly defined Biblical boundaries as defined in context in the Holy Scriptures.
- GRN is committed to helping believers to mature in their Christian walk and to come to a place in their maturity where they achieve complete sanctification and become completely Christ-like in their character and actions.
- GRN is committed to creating a worship experience so deep, so passionate and so intense that the Presence of the Holy Spirit saturates the entire service and that the Glory of God can actually be seen in the sanctuary.
- GRN is committed to help develop the Bride portion of the Church until She has fully made Herself ready and is walking in the measure of the stature of the fullness of Christ.

How Can GRN Help Me Spiritually?

- Revelation 19:7-8 says that the Bride has MADE HERSELF READY and that She is arrayed in fine linen, clean and bright, which represents the righteous acts of the saints.
- In II Timothy 2:21, Paul tells Timothy that if anyone PURIFIES THEMSELVES they become a FIT VESSEL, sanctified and useful for the Master, prepared for every good work.
- Sadly, most Christians today love God and want to serve Him, but consistently disqualify themselves and damage those around them due to a significant lack of Christian character.
- People are often drawn into the Church through the exercise of the Gifts of the Holy Spirit and then driven right back out again through a lack of the Fruit of the Spirit in the people there.
- GRN provides each new Member with a 12-25 member Ministry Team led by a dedicated, spiritually discerning Ministry Team Coordinator. The Ministry Team meets at least once a week, usually for 2-3 hours, to pray for one another, their needs and their families. The Ministry Team Coordinator is dedicated to watching over the souls he or she has been entrusted with to make sure that *"all is well with your soul"*.
- As the new Member begins to grow in their walk with Christ, their fellow Members and the Ministry Team Coordinator help them to move from the New Birth toward Complete Sanctification and the ultimate goal which is the development of a Christ-like character in them.
- If any Member should stumble and fall, the Ministry Team is committed to surround them in a circle of love and support and to help restore them to complete sanctification without judging or condemning them.
- GRN concentrates on having Members of the Ministry Team focus on praying for each other's needs before they pray for their own needs. As a result, a much higher percentage of prayers are generally answered by the Lord.
- Together, as a believing body, GRN will help encourage and pray for one another until we ALL come to *"the unity of the faith and the knowledge of the Son of God, to a perfect man, to the measure of the stature of the fullness of Christ."* (Ephesians 4:13).

How Can GRN Help Me Financially?

- Many GRN Members are also Five-Fold ministers in their own right, with a strong call of God on their lives and an equally powerful anointing in their ministries.
- Yet despite their calling and anointing, they are constantly hindered by a lack of ministry opportunities and the necessary funding to help bring their dreams and visions to pass.
- Normally, when someone joins an organization, they pay their membership dues to the organization and get little in return other than a welcome letter and a membership card.
- GRN is organized in such a manner that the vast majority of the Membership Fees paid to GRN stay at a local level to help individual Members fund their own ministries.
- When a GRN Member brings a new person into the organization, 25% of the Membership Fee is returned to the Member who brought them in.
- Another 25% goes to the Ministry Team Coordinator to whose Ministry Team the new Member was assigned. Often, the Member who brought the new Member in is also the Ministry Team Coordinator, so that 50% of the Membership Fee stays in the Ministry Team.
- The next 5% goes to the District Coordinator, who acts as a shepherd for the Team Coordinators.
- The next 5% goes to the State Coordinator, whose job is to be a shepherd to all of his or her Ministry Team Coordinators and to organize Conferences and other ministry opportunities for them.
- The next 10% goes to the National Coordinator, whose job is to be a shepherd to the State Coordinators in his or her Nation and to also provide Annual Conferences and ministry opportunities for their Members.
- The next 10% goes to the Regional Coordinator, whose job is to be a shepherd to all of the Coordinators and Members of the Region.
- The next 10% goes to the Continental Coordinator, who shepherds all Coordinators and Members for their continent.
- The Final 10% goes to the Global Coordinator, who shepherds the Movement worldwide.
- In so doing, individual Members and Coordinators at all levels can fund and grow their own ministries and also trigger local, national, regional and global revival.
